Partner of **PRAVDA CAPITAL**

## QUANTITATIVE INVESTMENT ANALYST

Practice what you learned and develop more beyond standard financial analysis: how to invest through formulaic filters and develop new approaches. We are looking for full time analyst or part time student who is:

1. Looking for creative work,
2. Strong in econometry and statistics,
3. Independent and proactive,
4. Reliable, accurate and responsible,

You would do the following:

1. Develop and implement our existing fundamental models,
2. Develop complementary statistical models.
3. Search for new ideas .

We offer:

1. An interesting work in the area of Hedge Fund,
2. Hands-on experience,
3. Opportunities for professional and personal growth and career development,
4. Compensation with a possibility of profit participation.

**Sanning Capital Limited** is an Opportunity Hedge Fund trading shares, bonds and derivatives based on fundamental and statistical analysis.

If interested, look at [www.sanningcapital.eu](http://www.sanningcapital.eu) and send your CV (in Word) to [jan.pravda@pravda.eu](mailto:jan.pravda@pravda.eu) and **please write "CV – Analyst" in the subject.**
